28 DAYS IN FEBRUARY

WE'D LIKE TO INVITE YOU TO

BISHOP'S CASTLE HEALTHY LIVES EVENT

THURSDAY 7TH FEBRUARY
6.00—7.30 with refreshments
at **BISHOP'S CASTLE TOWN HALL**
a partnership with Enterprise House,
Bishop's Castle GP Practice and Shropshire Council

Our health can be affected by many things, even worries and concerns that may seem nothing to do with an illness or health problem. These might be emotional problems, stress, caring for someone, social problems, loneliness, practical problems, financial worries or struggling with your lifestyle. Our communities provide lots of different types of support and activities that can help with these concerns, but people may struggle to recognise what would work for them. This is where Social Prescribing can help.

Our event will enable you to:

- Find out about the Healthy Lives Social Prescribing programme in Shropshire.
- Learn about the progress of the programme at Bishop's Castle Medical Practice which started in 2018 to help patients improve their health & wellbeing.
- Discuss the needs of local voluntary and community groups and projects in Bishop's Castle and surrounding areas.
- Consider creating a local "Community Connectors" network to share information and details of services to help meet the needs of local people.

Film: “Salvador Dali: In Search of Immortality”

The documentary proposes an exciting journey through the life and work of Salvador Dalí, and also of Gala, his muse and collaborator. It starts in 1929, a crucial year in Dalí’s career and life, as he joined the surrealist group and met Gala, and advances until the year of the artist’s death in 1989. In all this vital and artistic journey, Dalí’s geographies, especially Portlligat, stand out as the only stable home-workshop he possesses; Figueres, his hometown, where he creates his Dalí Theatre-Museum, and Púbol, where the Castle is, exponent of courtly love, which Dalí gives to Gala. But naturally other cities, especially Paris and New York are also central. It is worth noting the numerous documentary contributions that help us get closer to this unique painter of art history, who already has a place assigned among great masters. Contemplating Salvador Dalí himself, Gala, a tour of his creations, family approaches and distancing, all through images and documents, some of them unpublished, brings us closer to a painter who has managed to create a character that is a work of art itself. With this documentary we can go beyond the character and approach the painter and the man, and the spaces conceived by him that have helped to shape his immortality, the immortality of a genius.

Live Theatre: “Lost Dog Presents: Juliet & Romeo– A Guide to Long Life & Happy Marriage”

Lost Dog’s new show reveals the real story of Romeo and Juliet. It turns out they didn’t die in a tragic misunderstanding, they grew up and lived happily ever after. Well they lived at least. Now they’re 40ish, at least one of them is in the grips of a mid-life crisis, they feel constantly mocked by their teenage selves and haunted by the pressures of being the poster couple for romantic love. They have decided to confront their current struggles by putting on a performance – about themselves. Their therapist told them it was a terrible idea. With Lost Dog’s blend of dance, theatre and comedy this duet takes on our cultural obsession with youth and our inevitable issues with longevity. *****“Lost Dog’s smart, wryly subversive and sexy dance-theatre piece, Juliet and Romeo didn’t die in that tomb. Worse ... they grew old together” The Guardian *****“Juliet and Romeo: A Guide to Long Life and Happy Marriage, Battersea Arts Centre, London, review: A glorious mix of speech, dance and comedy” The Independent *****“Insightful, funny and rich. Smoulders with equal parts lust and loathing. Time Out *****“Squirringly funny and no less heart-breaking. The Times *****“Glorious. Full of warmth and intimacy. The Independent *****“Wonderful. Shakespeare’s lovers live on. The Observer Age recommendation: 13+ Approx. running time: 75 minutes

Live Theatre - “David Gibb - Climb that Tree”

David Gibb is on a one-man mission to make brilliant, engaging and high quality music for families and children. Join David on a musical journey through his hilarious and often surreal imagination, where bears live in the cupboard under the stairs, wolves are roaming the corridors at school, and trips to the moon are a regular occurrence. Climb That Tree builds on the success of his critically acclaimed debut album Letters Through Your Door which had families across the UK singing (quite literally!) its praises. David’s songwriting draws from a wide range of musical influences, deftly blending folk, jazz, reggae and rock and roll, always with an emphasis on quality and musicianship reminiscent of the classics. Guaranteed to have both parents and children singing along in no time, this is music that the whole family can enjoy together. “prepare to be carried away with the music... packed full of catchy, toe tapping numbers” The Guardian Not to be Missed!
