**Royal Ballet: Satellite Screening “Romeo and Juliet”**

Shakespeare’s enduring love story is known the world over. Since its 1965 premiere with The Royal Ballet, Kenneth MacMillan’s *Romeo and Juliet* has become a modern ballet classic. The choreography captures the emotions of the young couple as they fall in love, despite the barriers that finally bring about the story’s tragic end. Each revival gives opportunities for new dancers to interpret the doomed lovers. The whole Company brings the colour and action of Renaissance Verona, where a busy market all too quickly bursts into sword fighting, and a family feud leads to tragedy for both the Montagues and Capulets. Choreography: Kenneth MacMillan  
 Music: Sergei Prokofiev Running time: 195 mins Three acts, including two intervals This broadcast come via Satellite and is the Live performance from The Royal Opera House on Tuesday 11th June

**Thursday 20th 7pm**  
**Tickets £5/£4**

**Film “Green Book” (15)**

Dr Don Shirley is a world-class African-American pianist, who is about to embark on a concert tour in the Deep South in 1962. In need of a driver and protection, Shirley recruits Tony Lip, a tough-talking bouncer from an Italian-American neighbourhood in the Bronx. Despite their differences, the two men soon develop an unexpected bond while confronting racism and danger in an era of segregation. *“The great success of ‘Green Book’ lies in its modesty, and the straightforward way it recognizes seismic change in the incremental turning of a human heart” Washington Post “A supremely likeable film. Its message might seem obvious and its template overcooked, but it boasts a warm heart, with two astoundingly good lead performances to guide it home” Empire*

**Thursday 27th 7pm**  
**Tickets £12/£8**

**NT Live - “Small Island”**

Based on the novel by Andrea Levy Andrea Levy’s Orange Prize-winning novel *Small Island* comes to life in an epic new theatre adaptation. Experience the play in cinemas, filmed live on stage as part of National Theatre Live’s 10<sup>th</sup> birthday. *Small Island* embarks on a journey from Jamaica to Britain, through the Second World War to 1948 – the year the HMT *Empire Windrush* docked at Tilbury. The play follows three intricately connected stories. Hortense yearns for a new life away from rural Jamaica, Gilbert dreams of becoming a lawyer, and Queenie longs to escape her Lincolnshire roots. Hope and humanity meet stubborn reality as the play traces the tangled history of Jamaica and the UK. A company of 40 actors take to the stage of the National Theatre in this timely and moving story.  
**Please note Small Island will not be a live broadcast. It will have been filmed in front of a live audience**

**Friday 28th June 7.30pm**  
**Tickets £11/£6**

**Live Music “Cup O’ Joe”**

Cup O’Joe, rising stars of the international bluegrass scene and BBC Young Folk Award nominees. This Northern Ireland-based trio is made up of siblings Benjamin, Reuben and Tabitha Agnew. They perform an original and energetic mix of bluegrass & gypsy jazz. If you recognise Tabitha it’s because she wowed us with her Banjo playing with Midnight Skyracer last summer- We are thrilled to be able to welcome her back. The siblings were raised on a healthy diet of music festivals and concerts from a young age and this influence is clear in their eclectic and enthusiastic performances. With Reuben on guitar and mandolin, Benjamin on upright bass, and Tabitha on banjo and fiddle, their music is a fusion of hard driving Bluegrass with a mix of Jazz, Old Time, and Swing. *“Gorgeous blend of gentle bluegrass pickin’, beautiful folk melodies and mellow harmonies “ – Americana UK*

It only takes 30 seconds - yet could save your life

#### KNOW YOUR PULSE

Is your heart rhythm too fast, too slow, or jumping around (irregular)?  
It could be an arrhythmia (a heart rhythm disorder)  
Learn to take your pulse to monitor your heart rhythm

#### KNOW YOUR ECG

Monitor your heart rhythm  
with a mobile ECG device

It records your heart rhythm and  
confirms if normal, AF suspected or  
if you should discuss the results with  
your doctor
