NTLive: Twelfth Night

*****"Tamsin Greig is brilliant in a show full of fun"* The Guardian Tamsin Greig is Malvolia in a new twist on Shakespeare's classic comedy of mistaken identity. A ship is wrecked on the rocks. Viola is washed ashore but her twin brother Sebastian is lost. Determined to survive on her own, she steps out to explore a new land. So begins a whirlwind of mistaken identity and unrequited love. The nearby households of Olivia and Orsino are overrun with passion. Even Olivia's upright housekeeper Malvolia is swept up in the madness. Where music is the food of love, and nobody is quite what they seem, anything proves possible. Simon Godwin (*NT Live: Man and Superman, NT Live: The Beaux' Stratagem*) directs this joyous new production with Tamsin Greig (*Friday Night Dinner, Black Books, Episodes*) as a transformed Malvolia. an ensemble cast that includes Daniel Rigby (*Flowers, Jericho*), Tamara Lawrence (*Undercover*), Doon Mackichan (*Smack the Pony*) and Daniel Ezra (*The Missing, Undercover*)

Film: Rogue One - A Star Wars Story (12a)

****"The ultimate Star Wars fan film, it's short on whimsy but when it gets going there's enough risk-taking and spectacle to bode well for future standalone films."* Empire From Lucas film comes the first of the Star Wars standalone films, "Rogue One: A Star Wars Story," an all-new epic adventure. In a time of conflict, a group of unlikely heroes band together on a mission to steal the plans to the Death Star, the Empire's ultimate weapon of destruction. This key event in the Star Wars timeline brings together ordinary people who choose to do extraordinary things, and in doing so, become part of something greater than themselves ****"While its whole purpose is to tread water, I was ready to do cartwheels in the aisle by the end of this latest spin-off"* *"The Guardian*

Australian Ballet Series: Coppelia

Transporting you from the everyday to a magical world, *Coppélia* is a spectacular production, set to Leo Delibes' cheery score, that's perfect for the whole family. Meet the lovers Swanilda and Franz and their neighbour Dr Coppelius, an eccentric toy maker who dreams of bringing his mechanical toys to life. Dr Coppelius has a daughter who is not what she seems and Swanilda must rescue Franz from the magician's sinister doll-filled lair – with the help of some fancy footwork! Sorcery and masquerade, romance and high jinks – don't miss this performance of the funniest, sunniest ballet you'll see all year.

NT Live: Rosencrantz & Guildenstern Are Dead

Daniel Radcliffe (*Harry Potter, The Woman in Black*), Joshua McGuire (*The Hour*) and David Haig (*Four Weddings and a Funeral, The Witness for the Prosecution*) star in Tom Stoppard's brilliantly funny situation comedy, broadcast live from The Old Vic theatre in London. David Leveaux's new production marks the 50th anniversary of the play that made a young Tom Stoppard's name overnight. Against the backdrop of *Hamlet*, two hapless minor characters, Rosencrantz and Guildenstern, take centre stage. As the young double act stumble their way in and out of the action of Shakespeare's iconic drama, they become increasingly out of their depth as their version of the story unfolds.

RSC Live: Julius Caesar

Angus Jackson directs Shakespeare's epic political tragedy, as the race to claim the empire spirals out of control. Caesar returns from war, all-conquering, but mutiny is rumbling through the corridors of power. Our Rome season in the Royal Shakespeare Theatre opens with the politics of spin and betrayal turning to violence. Following his sell-out productions of Tom Morton-Smith's *Oppenheimer* (2014) and James Fenton's adaptation of *Don Quixote* (2016), Season Director Angus Jackson steers the thrilling action as the race to claim the empire spirals out of control
