Film: La La Land (12A)

******The Guardian*. American musical romantic comedy-drama about a jazz pianist that falls for an aspiring actress in Los Angeles Multi award winner starring Ryan Gosling and Emma Stone Multi award winning! ***** *Audacious, retro, funny and heartfelt, La La Land is the latest great musical for people who don't like musicals – and will slap a mile-wide smile across the most miserable of faces. Empire "La La Land" isn't a masterpiece (and on some level it wants to be). Yet it's an elating ramble of a movie, ardent and full of feeling, passionate but also exquisitely controlled* "Variety"

Based on the true story of Eddie Edwards (Taron Egerton), a plumber from Cheltenham who had dreams of making it to the 1988 Winter Olympics, as Great Britain’s first-ever Olympic ski jumper. **** ***“Eddie the Eagle’s amiability sweetness can’t disguise its story’s many inspirational clichés — but for many viewers, it will be more than enough to make up for them.”*** Rotten Tomatoes. Cut from the Olympic ski team, British athlete Michael “Eddie” Edwards travels to Germany to test his skills at ski jumping. Fate leads him to Bronson Peary, a former ski jumper who now works as a snowplow driver. Impressed by Edwards’ spirit and determination, Peary agrees to train the young underdog. Despite an entire nation counting him out, Eddie’s never-say-die attitude takes him all the way to a historic and improbable showing at the 1988 Winter Olympics in Calgary, Alberta. **** ***“Eddie The Eagle turns a long-running joke of British sport into a crowd-pleasing story of inspiration.
