Live Music: Daniel Bachman & Jake Xerxes Fussell

Daniel Bachman (Virginia) Virginia native Bachman, just 25, has been widely recorded and received comparisons to guitar greats such as John Fahey and generally described as a virtuoso. Bachman's performances are instrumental events that weave together a narrative from the melodies and rhythms of the picking and strumming style often referred to as American Primitivism **Jake Fussell (Durham, N.C.)** Fussell's music blends together the best parts of Country, Blues, Folk and Old timey without ever giving into the cliches of any of these genres. His 2015 debut album, "Jake Xerxes Fussell" has received critical acclaim .www.jakexerxesfussell.com/)
